Lita is a multi-platform desktop application for managing SQLite database files. It allows you to view database entries, add and remove tables, create new databases or import SQL files. You may also compact databases to shrink them, encrypt them or re-encrypt them. Lita allows you to export data to CSV or SQL formats, as well as it can export databases in JSON format. You may also copy the tables of an existing database in a new one. Lita is a standalone, open source, free application, available for the desktop platforms Linux, Mac OS X and Windows. It is available for both 32-bit and 64-bit systems. On the other hand, Lita requires an SQLite version 2.0 or greater. So, if you are looking for a handy tool to manage your databases, you'll be sure to find the perfect fit in Lita.

Conor McGregor's return to the UFC after an 18-month layoff is looming and the ire of certain fans is already brewing. The UFC is keen to keep McGregor's name atop the "fight of the year" table. Photo: AP The UFC and McGregor's management are prepared for the worst: a public brawl that would put UFC on Saturday night's broadcast and internet ratings on the line. The fighter is scheduled to make his UFC debut against Nate Diaz in a welterweight fight at T-Mobile Arena in Las Vegas on July 20, having made only six pro MMA fights in that time. To set the scene: McGregor and Diaz, who share a fiery rivalry of their own, are among the UFC's biggest stars. It is the first time they have fought since 2015, and both men have taken the fight with a serious public stand-off for months. In the weeks leading up to the bout, McGregor has sparred with former UFC lightweight champion Rafael dos Anjos, branding him a "traitor". He has also laid into Diaz in a series of Twitter posts, saying he "curses" at the thought of meeting him in the Octagon, as well as claiming he is a "low life". Yet despite all the taunting, McGregor's walk to the Octagon will be smooth by comparison. And according to Diaz's coach, Cesar Gracie, he is terrified of what could happen when the Irishman and Diaz clash. "I think it will be a mess. I think it will be a
