
REPACK Elden Ring: Deluxe Edition [v 1.02 + DLC]Full Version Free Download [April-2022]

OLD REPUBLIC _____ • The Main Game The lands between the Dusklords and the Courts of Chaos are now under the control of the Empire. Players will collect the other lords' land and recruit their subjects to build a nation. Build your own army and find adventure as you clear powerful challenges. • Become the Next Great Warlord The Forgotten Realms contain numerous hidden treasures. Hundreds of free people and their families are now living in the Forgotten Realms. You can also become a great warlord by gathering forces and eliminating the people of other lands. • Online Game Play Even when you are offline, you can play the game's online elements. For example, you can connect to a global leaderboard, communicate with other players, and share your game progress. NEW REPUBLIC _____ NEW VICTORY EVENTS • Greater Challenges to Conquer New challenges are waiting in between the old land and the new land. You can clear these challenges in order to make progress. GRAPHICS AND PERFORMANCE _____ • Efficient Resource Management The graphics in the game are modeled after the Japanese style of RPG. Thus, the game uses no artificial processes to draw graphics but instead, is drawn by the CPU. This allows the game to create images quickly while requiring less memory and power. • Minimal UI The UI is a touch-screen style. You can select the item that you want by simply touching the picture and scrolling your finger. • Wide Playable Area The game's play area is wide compared to other games of the same genre. You can comfortably enjoy yourself even when you are in the middle of a battle. • Large-scale Battles The game's battles are fun and addictive. Players will enjoy the thrill of engaging in battle even when they are not in the game. • Important Events In "Game Interruption", you have the chance to clear important events. You can also revive others using items. You can enjoy special events even when you are offline. • Piece-by-piece Collecting By exploring and collecting, you will be able to obtain powerful weapons and armor. You can combine your armor with a variety of weapons to become an invincible hero.
